# Roseberry Park

Roseberry Park is the trust's multi-million pound mental health and learning disability development in Middlesbrough.

It comprises a number of self contained ward units clustered around closed landscaped courtyards. There are 312 inpatient beds, and all the single, en-suite bedrooms are on the ground floor.

The facilities are complemented by various activity and recreational areas with ready access to safe and secure courtyards and gardens.

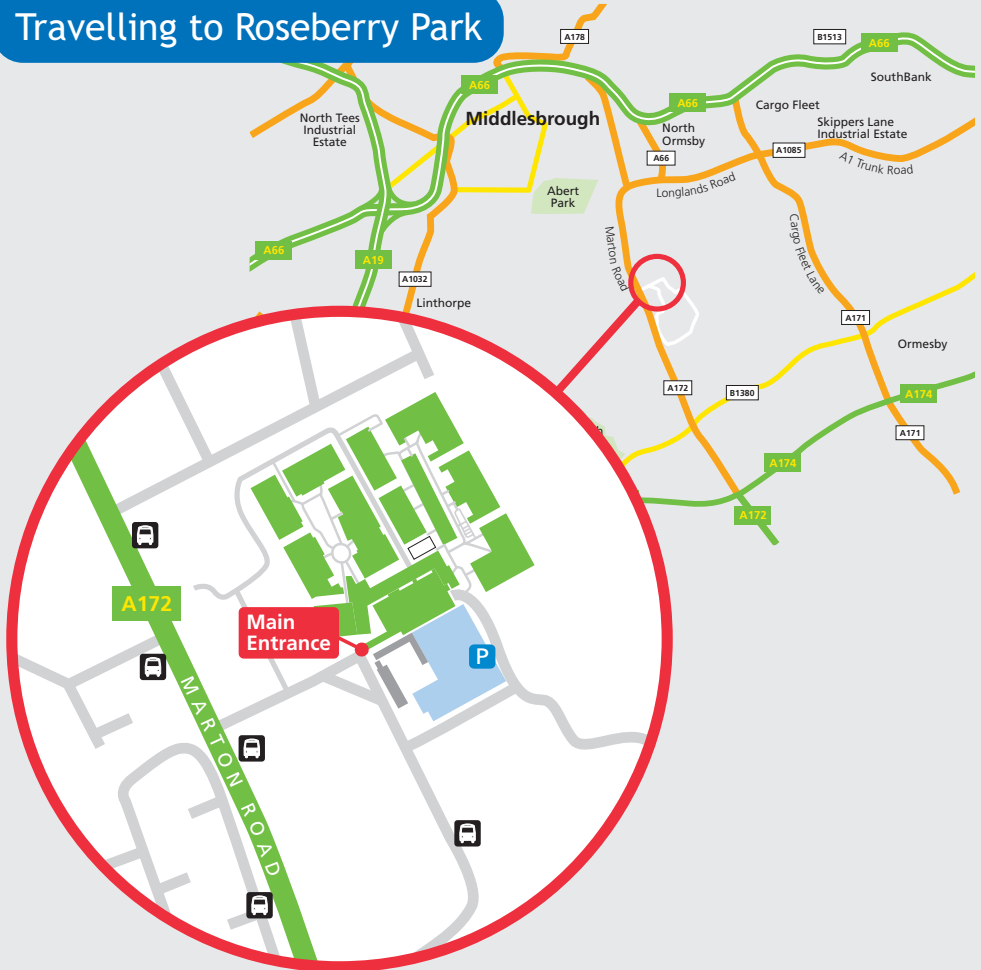

Facilities include:

- adult mental health inpatient units
- a unit for older people with mental health conditions
- low and medium secure forensic units
- an electro-convulsive therapy suite
- café and shop
- pharmacy
- faith centre
- gym
- various vocational and therapy areas
